

BRAMHAM PRIMARY SCHOOL

Welcome to Bramham Primary School, Clifford Road, Bramham

It is our aim to provide our children with a broad, balanced education that will enable them to fulfil their academic potential and build in them the confidence and curiosity that will lead to success in their future lives. The performance of any school depends on many people; the governors, staff, parents/carers, and children who, working in partnership, create an atmosphere in which the children can learn safely and happily. Both Bramham and Shadwell schools have exceptionally hard-working staff who strive to ensure that every child feels individually valued.

Sue Morgan - Chair of Governors (co-opted).

Should you wish to contact the Chair of Governors, please send a sealed envelope to the school office: FAO Sue Morgan, C/O Bramham Primary School or email c.hemingway@leedsfederation.org with attachment FAO Sue Morgan.
