A warm welcome to Rev'd William Marshall and his wife Sammi who have moved into the village and can be found at the home of Paul and Lynne Marshall.

Lovely to see Lynne looking so well.

(This photo taken after a morning spent clearing the rubbish from the

Churchyard) a great Team effort)

The Bramham Gala will NOT be taking place in 2024

Plans are in motion to reinstate for 2025 as well as other fun events.

Stay tuned.

May Council update

CRIME REPORT: Once again Bramham does not feature as a prominent crime spot within our Ward area. As ever the main message is: Please remain vigilant and not become complacent with regard to locking doors etc. especially as the nights are becoming warmer and remain lighter for longer. Do not forget that if you know of a crime that has been or is being committed then do not put yourself in harm's way but contact the police as appropriate – 999 for emergencies and 101 for non-urgent reporting. There has been a spate of shop thefts (not in Bramham itself) and several of the perpetrators have been apprehended. Also there are now 5 PCSOs within the ward area, enhancing the capability of the police team to respond and be seen as a presence within the area.

There have been several episodes of antisocial behaviour in relation to the new Parish centre and the matter is being reported to the relevant authorities. Council is considering ways to combat further episodes without disrupting the enjoyment of the facility by the majority.

ANNUAL PARISH MEETING (APM): This year the APM took place on 8 th May immediately before but independent of the May Parish Council meeting. Apart from Ward Councillors Harrington and Lamb, the Parish Councillors and Clerk there were only four residents present.

AUDIT: The internal auditor has scrutinised the 2023/2024 files and documents and the Parish Council is now in a position to submit the findings to the External Auditor and notification has been posted regarding residents' right to view the unaudited accounts.

ANNUAL NEWSLETTER 2024: Congratulations to Councillor Buck who has once again compiled an excellent Newsletter which is now available on the Parish website and a copy will be forwarded to be included in the Parish Archive.

BRAMHAM HOUSE DEVELOPMENT: Since the Planning Application was refused by Leeds City Council

Planning the future of the site remains uncertain but please remember the site remains private property and residents should not enter the site, both because it is a private area and for health and safety reasons; it remains in essence a building site with all the attendant hazards. CCTV is in operation and several people have been noted to have entered the site and then escorted off the premises by the security personnel.

MEMORIAL CROSS: Work should begin at the beginning of June and will cause some disruption (primarily in the ability to park)around the monument during the course of the cleaning and minor repairs. As soon as a start date for the work has been confirmed notices will be posted around the Memorial advising that parking will be prohibited for the duration of the work. Please comply with the parking restrictions to ensure that there is no delay in the work to clean and repair the memorial.

STATC SIDs: It is hoped that the three extra Speed Indicator Devices (Bowcliffe Road, Wetherby Road and Clifford Road will be installed in the near future and act to enforce the message that the village is a 20mph zone.

Cllr. Mike Corrigan, Bramham cum Oglethorpe Parish Council

Bramham Parish Centre

(What3Words address: wizard.chest.videos)

Open 9.00 am until 5.00pm daily.

Between 5.00pm and 10.00pm The centre can be booked for exclusive use by groups and organisations by visiting the on-line Scribe booking site on Parish Council website.

What's On at The Village Hub This Summer?

The Village Hub is a not-for-profit, drop-in community meeting place and café hosted by **Bramham Village Hall** and run by a group of volunteers from the village. We are open every Monday (except bank holidays) from 11.30am to 2pm. We provide a warm, welcoming, safe, supportive and familiar space, where residents can read newspapers and magazines, play cards & games, do jigsaws, swap books, swap stories and enjoy tea, coffee and biscuits for free. We have a five-star Food Hygiene Rating and also offer soup, salad and home-made cakes if you are feeling peckish.

Our **Summer Menu** includes our **"Ploughman's Special"** every first Monday of the month, a **"Strawberry Tea"** to celebrate Wimbledon week, and our very own **"Olympic Bake-Off Challenge"** during the Games.

We are also running a **series of free talks** over the summer sharing information and stories about subjects of local and community interest including:

"Fire Safety at Home" A talk by the West Yorkshire Fire Service.

Wetherby Watch will be coming along to the Hub to talk about how to recognise and reduce common fire risks in your home and giving a firefighters' top tips on keeping safe.

"Scams and Safety" A talk by West Yorkshire Police. On 10th June Wetherby Neighbourhood Policing Team will be providing information on crime prevention, together with important tips on how to protect yourself from scams and online fraud, rogue traders and doorstep sellers.

"Martin House and THE BUILD – creating the hospice our children deserve" On 24th June Chris Verney from Martin House will be joining us to talk about the work the hospice does to support children with life-limiting or life-threatening conditions and their families, and the plans to transform Martin House into a hospice fit for the future. You will hear a powerful story about inspirational families and dedicated staff and volunteers, showing just how important the hospice is to the community.

“How to Help Hedgehogs” A talk by a local hedgehog rescue service about the work of the charity and what we can all do to help protect this endangered species, whose numbers have plummeted in the recent years.

Other regular features in the coming months include.....our ***“Summer of Sport”*** menus... ***“Fun Bingo”*** a relaxing game of bingo with the addition of fun questions & spot prizes.... and ***“Meet Your Ward Councillor”*** at their monthly “surgeries”, when you can talk to them about any local issues that concern you.

And looking further ahead, keep your eyes peeled for more guest speakers, a ***“Guy Fawkes”*** special and our ***“Christmas Celebration”*** event.

Pete Dunn

Techie trouble

The vicar at our local church experienced some technical problems with the sound system one Sunday. Instead of starting the service as usual with ‘The Lord be with you’, he said: “There’s something wrong with the microphone.”

Not hearing this, the congregation responded: “And also with you.”

MAGAZINE DONATIONS

A year ago we asked if residents would contribute £1 per household to the cost of this magazine and you have all been very generous and almost every week I meet somebody who is anxious to press £1 into my hand. Thank you so much to all those who have contributed.

Clergy Letter for June

Dear Friends,

As the days get warmer and staying out in the sun all day is not a sensible option, I like to find somewhere cool to sit and read and sometimes I just like to sit and watch the world go by.

Some people like to read a lot, a friend of mine regularly has several books on the go at once and she reads them rather than simply glancing through. Another friend speed reads, which means he misses the depth of the text because he skims down the middle of the page, getting the gist of what is there rather than the full story. I am a read every word kind of person. I don't read quickly but I do read thoroughly.

I recall reading a book with a friend, we had one copy between us so would spend quality time reading to each other. It was lovely listening to the story and then continuing by reading aloud the next chapter.

Reading books to each other shouldn't be unusual but I wonder how many people have read to another adult, who could have read the book themselves, simply for the enjoyment of doing it? After all, we listen to each other read passages from the Bible each week in church. We know the stories yet still enjoy listening to them being read again. It's especially interesting when someone chooses to read a different translation which perhaps changes words which we expect to hear. I wonder if it causes us wonder what difference the changed words make to our understanding of the scriptures, or are we really bothered?

To make real sense of the Bible we need to return to the texts in their original languages, or a literal translation. This could open up a whole new world of understanding but we would also need help to understand the nuances and language forms of ancient Hebrew and Greek.

All this might be too much on a hot afternoon when all we have done is come into the cool, however it doesn't stop us reading a version of the Bible which we feel we can understand and engage with. It doesn't stop us reading aloud to someone else and maybe exploring what the passage read means to you and your reading companion.

Here's to some long hot afternoons when a good book and The Good Book may be read, enjoyed and shared.

Every blessing,

Rev'd Glenda

Our vicar, The Rev Nick Morgan, will be away from the parish for several weeks as he recovers from spinal surgery which is due to take place towards the end of April. The pattern of church services may vary slightly from late April through to late June so please check www.BramhamBenefice.org for updates on service times. We have tried to limit changes to the usual pattern of services, and where possible have not cancelled or moved them, but there are one or two exceptions to look out for.

as we head towards

The Churchyard tidy up day was a great success 16 people were involved and they did the most fantastic job of taking away all the rubbish which had accumulated under the trees at the East end and around the mower shed.

A lot of hard graft for everyone involved.

Unfortunately people leave behind all their rubbish, dead wreaths (usually from Christmas), oasis, plastic flowers, string, cord and plastic wire and worst of all broken glass! —none of these things will Compost and so we have to sort it all out and transport away to the tip. **We keep asking Residents to remove all unwanted items and take them home and place in their own rubbish bins.**

On the table at the back of church you will find a leaflet which sets out all the rules and regulations for items that can and cannot be placed in All Saints' Churchyard.

With great thanks to Elliott, Richard, Marc and others who regularly cut large areas of the Churchyard. This is a huge task and we are so thankful for this tremendous effort on their part.
