3. It was **resolved** that the minutes of the Assets and Amenities Committee on 3 December 2025 be accepted as a true record.

4. Playground Redevelopment

It was **resolved** that community engagement should be sought this year to decide:

1. What equipment should be provided
2. What age group should be catered for
3. Where extra grants could be obtained

The aim is to complete the project by the end of the life of the current equipment (approximately 3 years)

Membership of a Working Group to progress the project was considered. Cllr Jones and Cllr Tozer have expressed an interest in the Working Group and other councillors will be offered the option of joining. Other organisations in Bramham will be invited to appoint a representative to join the Working Group, including FOBS and Mums & Tots. Rachael Lane Fox has expressed interest in this, and it was decided that she should also be invited to join the working group too.

Cllr Jones suggested that the school might run a competition for the children to suggest what equipment they would like to see in the playground.

5. Minor Items

It was noted that BCAG have advertised the Gala but have not officially booked the Pavilion and playing field for the date. It was also noted that BCAG have asked the Community fund for funding for a horse and carriage display. It was **resolved** to ask the Clerk to write to BCAG seeking clarification of their proposals.
