

Briefing notes - Site meeting on Bramham Road, Clifford re SID,

Thursday 17th December 1.15pm

Present: Kieren Dent (LCC), Cllr Nick Fawcett (CPC), Cllr Scott Jones (BPC) & Cllr Mike Corrigan (BPC).

It was agreed that:

- Lighting poles 3B547 & 4B547 would be suitable with a preferred option of 4B547.
- Kieren will identify the ownership (LCC or Private Landowner) of the trees/shrubs which will require cutting back in either situation.
- If owned by Private Landowner Kieren will arrange for notice to be served asking the landowner to cut back the vegetation.
- If owned by LCC this may incur a separate cost; but if permission was granted for CPC to requisition the work then an accommodation could be made in house.
- Kieren will investigate the warranty of the original SID regarding the damage sustained.
- Kieren will ensure that the information and hardware/software regarding access to the data would be made available; access was via a bluetooth link and he is prepared to be onsite to ensure a link can be made.
